

Suggested Giving Chart

The giving chart is a tool to assist you as you consider your pledge. Locate your weekly gross income in the left-hand column, and then determine the percentage of income you plan to contribute to identify your gift amount.

The tradition of giving back to God and to the church comes from the Biblical practice of tithing, which means to return a tenth (10%) of our earnings to the Lord. If you are unable to tithe currently, we encourage you to work towards tithing by growing your offering by 1% over last year's amount.
